For over 75 years, CCS Fundraising has empowered organizations to advance some of the most important causes in history. As leading experts in campaign and development strategy, we help nonprofits make a bigger impact - locally, nationally, and globally. We partner with over 700 organizations annually in more than 350 cities around the world, including Austin, Texas.

From local food banks to educational institutions, cultural bodies, global charities and beyond, our work spans across all nonprofit sectors. This big-picture perspective helps us uncover breakthrough insights and offer solutions unique to each organization. While the results of our work are immediate, the impact of the strategies, tools, and tactics we develop with clients is enduring.

## ATTENDEE TAKEAWAY BAG SPONSOR

Beacon Nonprofit Consulting, LLC, founded in 2010 by Mollie O'Hara Leach, CFRE, CFRM, CNEL, is recognized for expert counsel in nonprofit governance and fundraising.

Beacon works with clients to bring clarity and direction in implementing strong, sustainable fundraising strategies and campaigns. In hiring Beacon, you gain a team of fundraising professionals, highly respected among their peers and by donors in the philanthropic community. Beacon's counsel is based on years of front-line experience and tangible fundraising results.

You can rely on the Beacon team to be a pillar of strength and light at every step of the way. Mollie O'Hara Leach, Lisa Lee, Carmine Salvucci, and Shelley Hardeman develop long-lasting, deeply personal relationships with their clients, serving as trusted advisors, guides and friends. The path forward is not always clear, but with creative problem solving and a client-centered approach, Beacon works alongside the entire organization to guide success.

Beacon is committed to bettering the community. Their clients' success is critical to that goal. Beacon encourages you to contact nonprofits whom they've assisted in the past to learn more about their genuine commitment to each client served.

## BREAKOUT SESSION SPONSOR

Avid is the first Fundraising Operating System, created by fundraisers for fundraisers.

Instead of adding another tool to the stack, Avid makes your existing tools work together—your CRM, email, donation platforms, and more. It turns donor data into daily clarity and ready-to-run campaigns, so fundraisers can act faster, raise more, and avoid the bottlenecks of manual work.

With Avid, teams can:

- Unify donor data into one trusted view
- See who's giving, lapsing, or ready to engage
- Spot risks and opportunities with clear next steps
- Automate ongoing donor engagement
- Launch proven campaigns in minutes
- Share reports that update themselves

Giant Squid Group, LLC is a women-led social impact consultancy that works through an intersectional feminist and anti-racist lens. It partners with impactful nonprofits to strengthen their leadership, fundraising, and infrastructure, allowing them to transform grassroots organizing into systemic change. The company's work, from how it partners with clients to how it operates as a team, reflects this core philosophy. GSG collaborates with a diverse portfolio of nonprofits on a wide range of projects, from one-off engagements to years-long partnerships.

GSG's work is built on core values of inclusivity, integrity, and creativity. The team consists of expert writers, fundraisers, coaches, and leaders who bring their own lived experiences to each project. The ultimate goal is to co-create a joyful, curious, and abundant community of values-driven nonprofits that uplift each other on the path to collective liberation. In every partnership, GSG strives to build the capacity of an equity-driven organization, empowering them to pursue their mission, drive meaningful systemic change, and center the voices of those who have long been sidelined within philanthropic spaces.
