SPONSORSHIP OPPORTUNITIES

ASSOCIATION OF FUNDRAISING
PROFESSIONALS GREATER AUSTIN CHAPTER

DEAR COMMUNITY PARTNER,

The strength of our nonprofit sector depends on the people who power it. Fundraisers are the stewards of generosity, trust, and resources- ensuring that organizations across Greater Austin can continue delivering vital services, advancing equity, and creating lasting community impact.

At AFP Greater Austin, we believe that investing in fundraisers is an investment in the entire nonprofit ecosystem.

When fundraisers are equipped with the skills, training, and ethical grounding they need, they are better prepared to secure sustainable resources, build meaningful donor relationships, and lead transformational work that benefits our community as a whole.

For more than four decades, AFP Greater Austin has supported fundraising professionals through high-quality education, connection, and leadership development. This work is only possible because of the generosity of partners like you who understand the importance of a strong, resilient nonprofit sector. We are deeply grateful to those who have supported our Chapter and helped ensure that fundraisers across our region can grow, thrive, and remain in this critical field.

As we look ahead, we invite you to consider joining us again to sponsor our annual One Day Conference scheduled for October 9, 2026. This event will convene up to 200 nonprofit professionals and community leaders for a full day of professional development focused on building and managing sustainable philanthropic revenue.

We recognize that every organization has unique goals, audiences, and priorities. I welcome the opportunity to connect with you to discuss a custom sponsorship package- one that allows for impact across multiple events and benefits tailored to align with your objectives and values.

Thank you for your continued commitment to philanthropy and to the people who make transformational work possible. Together, we can strengthen the nonprofit sector and the communities it serves.

Sincerely,
